

A

Tube cases

B

- universal tube case with integrated guide slots for application of non standardised circuit boards
- EMC compatible version due to electrical conductive surfaces (**TP**) and additional conductive seals (**EDKO**)
- integration possibilities of front foils or key pads
- protection class IP 54 achieved by the use of seals **EDKO** → M 43
- the 2 mm covers panels can be perforated or imprinted to your specifications
- supplied as kit, incl. cover plates and mounting material
